Answer the following questions as honestly and accurately as you can. These questions will help us identify areas where your leadership abilities can be used best.

1. What are 2 of your strengths and how could you apply them to the Phat Factory Sk8 park?

2. What is a weakness that you have and how will it affect your leadership style at the Sk8 Park?

3. What would you like to get out of this student leadership opportunity?

4. What can we do to help challenge you and make this a great learning experience for you to help you develop your leadership skills?

Special note to Applicants:

As a student leader at no time will you be allowed to be in charge of an activity or have the authority to enforce rules. As well you will not be allowed to have access to any personal information of any participant in the Skate Park. Being a student leader allows you to help out only in a few areas, which will be discussed with you.

As well as being able to help out in the Skate Park you will be required to attend weekly leadership training meetings that will be mandatory to help out. For further details on how to become a student leader please speak with one of the staff at the Upper Deck Youth Centre or the Phat Factory Sk8 Park!

Thanks for your willingness to help out!
